OPERATING ORDER 98-2

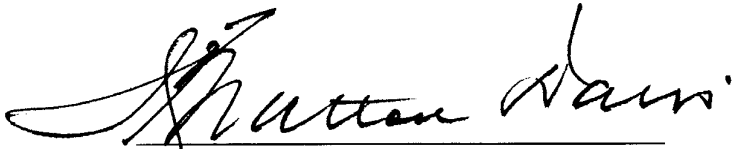

This order supersedes South Carolina Local Bankruptcy Rule 5010-1, which is hereby abrogated.

A party seeking to reopen a case shall file with the court a motion and shall serve it on the United States Trustee, the previously appointed trustee, all creditors and parties in interest (including any creditor to be added by amendment to the original petition, schedules or statements). The motion shall be accompanied by proof of such service and shall give a fifteen (15)-day period for the filing and serving of objections. The motion shall also be accompanied by the fee required by Item 9 of the Bankruptcy Fee Schedule, unless a motion to waive the fee, citing the circumstances warranting a waiver, is filed. If the debtor is the movant, the debtor shall give notice of any amendment made to the petition, list, schedule or statement as specified in SC LBR 1009-1.

If any fees remain due to the court from a previous filing, they must be paid within forty-eight (48) hours of the entry of an order reopening the case.

AND IT IS SO ORDERED.
